

Conos-Due Wall/Ceiling Patented

Designed by Franco Mirezzi

Colour  10  11  75

Conos-Due Wall/Ceiling

Wall & Ceiling mounted spotlight

Features

- From wall versatile aiming angle 0°-100° horizontal tilting and 350° rotation adjustability.
- Tilting angle can be positioned and screw locked.
- Optical compartment made of die cast aluminum.
- The case for transformer or control gear is separated and made in heat resistance thermoplastic to ensure optimal thermal balance.
- Reflector made of super pure anodized aluminium.
- Integrated MH electronic control gear or dimmable transformer.
- Designed and manufactured to comply with European standard EN 60598.

Applications

- A new concept in spotlight design. Can be used for indirect light distribution.
- Mini Conos Due wall and ceiling and Micro Conos Due wall and ceiling (with LampaLED option), also available for smaller areas with less wall/ceiling surfaces.
- Application areas: retail, department stores, galleries, shopping centers, showrooms, residential, restaurants, hotels, exhibitions, window displays.
