

# Eclisse

Colour   
11

## Eclisse

Directional and adjustable downlight.  
Tiltable or fixed version available.

### Features

- Versatile aiming angle 0°-30° vertical tilting and 350° horizontal rotation adjustability.
- Angle of tilt/rotation can be positioned and locked by the allen key.
- Ceiling trim and lamp holder housing made of die cast aluminium and designed for optimum heat dissipation.
- Concealed lamp setting to improve visual comfort and ceiling blending.
- Minimal glare.
- Reflector made of super pure anodized aluminium.
- Installation springs suitable for ceiling thickness up to max 25mm.
- Transformer or control gear in pre-wired remote unit has to be ordered separately.
- Designed and manufactured to comply with European standard EN 60598.

### Applications

- Comprehensive lighting system with directional adjustability for maximum flexibility in ever changing space settings.
- Ideal for both wall washing highlighting.
- Available in 3 sizes.
- Multiple lamp types, including HID, Halogen and LED.
- Mini Eclisse and Micro Eclisse versions are also available. Ideal for use in areas with less available ceiling surfaces or smaller apaces.
- Application areas: retail, department stores, window displays, corridors, residential, restaurants, hotels, museums, showrooms, exhibits.
